प्रचलित जीवन शैली के साथ-साथ गुणवत्तापूर्ण विद्युत उत्पाद

कलर्स में, गुणवत्ता पर हमारा बेजोड़ फोकस, निष्पादन में सूक्ष्मता और विविध श्रेणी ने हमें उद्योग में सबसे आगे स्थापित करने में मदद की है। आज हम अंतर्राष्ट्रीय गुणवत्ता वाले उत्पादों के निर्माता होने में गर्व महसूस करते हैं जिनकी कल्पना, डिज़ाईन एवं निर्मितता भारत में ही की गई है।

यह बात १९७० की है जब कलर्स ने एक छोटी सी व्यापारी कंपनी को स्थापित किया, जो कि इलेक्ट्रीकल वायरिंग एक्सेसरीज़ में व्यापार करती थी। अपनी कार्यप्रणाली के दौरान, इस समूह ने धीरे-धीरे घरों, कार्यालयों, कारखानों, हवाई अड्डों और होटलों के लिए इलेक्ट्रीकल स्विचस और एक्सेसरीज़ उत्पादन के क्षेत्र में अपने कदम रखे। आज, कलर्स ने हर बाजार खंड के लिए सभी प्रकार के स्विच, सॉकेट, एक्सेसरीज़, एमसीबी, एलईडी लाईटिंग उत्पाद, प्लग टॉप, तार, लैम्प होल्डर, डोर बेल, माउंटिंग बॉक्स और घर स्वचालन उत्पादन के निर्माण से उद्योग जगत में अपना एक स्थान बनाया है।

५ अत्याधुनिक उत्पादन प्लांट्स, १३ डिपो, ५००० से अधिक चैनल पार्टनर्स, १५०० से ज्यादा कर्मचारियों और ५००० से ज्यादा प्रोजेक्ट्स के साथ कलर्स पूरे भारत में मौजूद है और अनगिनत लोगों को विश्वस्तरीय उत्पाद प्रदान कर रहा है।

गुणवत्ता, परिष्कार और शैली का अनुसरण हमें उद्योग के शीर्ष की ओर ले जाता है। हमारे उत्पादों की विस्तृत श्रृंखला कुछ ऐसा प्रदान करती है जो जीवन शैली की हर शैली के अनुकूल हो। हमारे इन्ोवेशन अग्रणी दृष्टिकोण और प्रवीणता ने हमें विश्व स्तरीय गुणवत्ता वाले उत्पाद प्रदान करने में मदद की है जो भव्य जीवनशैली और विशेष श्रेणी दर्शाती है। कलर्स उत्पादों की बेजोड़ गुणवत्ता और हमारे अत्याधुनिक विनिर्माण संयंत्रों ने हमें आईएसओ, ओएचएसएसओ और सीई प्रमाणीकरण का दावा करने में मदद की है। ये प्रमाणपत्र हमें दुनिया भर में कहीं भी अपने उत्पाद बेचने की अनुमति देते हैं। हमारे प्रयास का नतीजा वास्तव में पुरस्कृत हुआ है जैसे – भारत डिजाइन मार्क से दो बार सम्मानित होना। पर्यावरण, सदभावनापूर्ण जीवन हमारे सिद्धांतों के केंद्र में है। अपने कार्बन फुटप्रिंट को कम करने लिए हम प्रतिबद्ध हैं, सौर ऊर्जा और वर्षा जल संचयन जैसे नवीनीकृत ऊर्जा संसाधनों का उपयोग करते हुए हरीत भविष्य की ओर अग्रसीत समाज में हमारे योगदान के रूप में देखा जा सकता है। कलर्स में हम न केवल गुणवत्ता में बल्कि पर्यावरण के प्रति हमारी जिम्मेदारी में भी उद्योग का नेतृत्व करने का प्रयास करते हैं।

हमारे लिए, सामाजिक जिम्मेदारी हर पहल के मूल में है। हम शिक्षा, पर्यावरण, स्वास्थ्य और आवास के क्षेत्रों में योगदान देकर समाज में एक मूल्यवान अंतर लाने के लिए अपनी पूरी कोशिश करते हैं। हमारा सीएसआर प्रयास सभी के लिए अवसर प्रदान करते हुए जीवन को बेहतर बनाने के हमारे कर्तव्य को साफ दर्शाते हैं।

Elevating Stylish Living with Quality Electrical Products

At Kolors, we take immense pride in our unwavering focus on top-notch quality, finesse in execution, and a diverse range of products that place us at the forefront of the industry. As a Fast-Moving Electrical Goods (FMEG) Company, we are dedicated to delivering international standard products that are conceived, designed, and manufactured right here in India for the world.

Since our inception in 1970 as a small trading company specializing in electrical products and accessories, we have grown to become a leading manufacturer of electrical switches and fixtures for various sectors. Today, our product range includes switches, sockets, accessories, switchgears, distribution boards, LED lighting products, wires & cables, home automation products, plug tops, lamp holders, doorbells, extension cords, spikeguards, mounting boxes and motion sensors for every imaginable market segment.

With 5 state-of-the-art manufacturing plants, 13 Depots, 5000 plus Channel Partners, and a workforce of over 1500, we have achieved a wide-ranging presence across India, making our top-quality products accessible to a vast audience.

Our unwavering pursuit of quality, sophistication, and style drives us on our journey to the forefront of the industry. Offering a wide array of products, we cater to every style of living. Through innovation and expertise, we provide world-class quality products that radiate grandeur and class. The unmatched quality of Kolors products and our state-of-the-art manufacturing plants has helped us claim ISO, OHSAS & CE certification. These certifications allow us to sell our products anywhere around the world. Our commitment to excellence has been recognized with the prestigious India Design Mark, twice.

For us, sustainability is at the heart of our ethos. Committed to reducing our carbon footprint, we harness renewable resources like solar power and rainwater harvesting initiatives, contributing to a greener future. At Kolors, we strive to lead the industry not only in quality but also in our responsibility towards the environment.

For us, social responsibility is at the core of every initiative. We strive our best to bring a valuable difference to the society by contributing in the areas of Education, Environment, Health & Housing. Our CSR endeavours align with our mission to 'make life better' while providing opportunities for all.

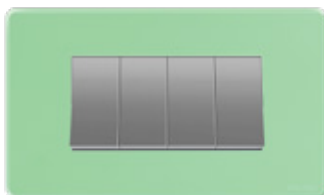

At Kolors, we are devoted to enhancing stylish living through superior electrical goods, and our unwavering commitment to quality sets us apart in the market.

Strong, Sturdy, Stylish.

At Kolors, we believe that performance ought to be more appealing than appearance. Perhaps this explains why the Kredo series cover plates have a real metal plate encased in two layers of engineering plastic. In exchange, the sturdy and convenient metal mounting plates provide ease of installation. And ultimately, the convenience and safety to you.

- **Face Plate**
A fusion of material like aluminium, glass, wood, engineering plastic in different finishes mounted on base plate moulded out of engineering plastic for support.
- **Engineering Plastic**
While the insulating plastic offers insulation and uniformity, the innovative spring action in its internal locking systems enable easy loading and unloading of the inserts in the plate.
- **Metal Frame**
The GI framework provides the necessary strength, preventing bends and lending support to inserts against pressures caused during the application.
- **Engineering Plastic**
The insulating plastic provides insulation and uniformity.

The advertisement features three modular cover plates for electrical outlets. One is on a dark grey wood-grain surface with three circular holes. Another is on a light-colored wood-grain surface with three circular holes and two rectangular buttons below. The third is on a dark brown wood-grain surface with a white cylindrical rotary switch and two rectangular buttons below. The brand name 'KREST kredo' and 'SOLID ALUMINIUM PLATES' are in the top right. The word 'KOLORS' is printed vertically on the bottom right corner of the dark brown plate.

Let enchanting art bring your spaces alive.

These beautiful, handcrafted cover plates by Kolors are exquisite in design, and a seamless fusion of high-end contemporary style and rich culture. Each of these plates is a one-of-a-kind work of art, whether it is the captivating tribal art, the stylish digital print, or the 3D cover plate design. Designer prints with a mix of striking brilliant colours and black and white offer unrivalled warmth and beauty to your interiors, enhancing its incredible mood. India Design Mark has recognised and honoured Kulture plates inspirational designs for their fine ingenuity.

India Design Mark* is a design standard, a symbol, which recognizes good designs. It symbolizes excellence in form, function, quality, sustainability, innovation and communicates that the product is usable, durable, aesthetically appealing and socially responsible.

*AWARDED BY INDIA DESIGN COUNCIL -
AN AUTONOMOUS BODY UNDER MINISTRY OF COMMERCE AND INDUSTRY,
GOVERNMENT OF INDIA.

Effortless Control and Enhanced Comfort.

Simplify Your Life with KULT Home Automation.

Experience the convenience of managing essential elements of your home environment with KULT Home Automation, with a simple tap on your wireless device. Transform your living space into a smart and efficient environment, effortlessly managing fans, blinds/curtains, and switches with KULT Home Automation. These switches can be controlled from anywhere in the world and have bi-directional indication, preventing wastage of resources and potential fire hazards.

Smart Scheduling for a Seamless Lifestyle.

*Set the Perfect Timings
with KULT Home Automation.*

With KULT Home Automation, effortlessly schedule the operation of your devices according to your lifestyle. Set timers and create schedules to automate fan speed, control blinds/curtains, and manage switches. Whether waking up to a gently lit room or automatically closing blinds at sunset, KULT Home Automation ensures your home functions perfectly, even when you're not around.

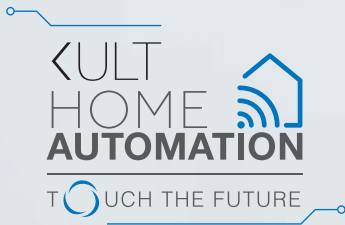

Seamless Control with Alexa Integration.

Operate Your KULT Devices with Ease.

Once the Alexa and KULT devices are registered on your Wi-Fi network, you can conveniently operate your KULT devices through an Alexa-enabled device, such as the Echo series, even without your mobile device. With Alexa integration, control your KULT devices using voice commands, including Hindi*, for more convenience. Enjoy the seamless integration and empowering control offered by Alexa and KULT Home Automation.

**This feature is based on third-party support and may extend to other regional languages.*

Empowering Control at Your Command.

Speak, Command, Control - The Power of Hands-Free Voice Automation.

Discover the ultimate convenience of hands-free voice control with KULT Home Automation. Our cutting-edge technology allows you to control your home automation devices using simple voice commands. Simply install a third-party voice command app, create an account, and log in to enable KULT. Experience empowering control over multiple tasks in your space with just your voice and enjoy a heavenly ambience.

Transform Your Space with Theme Lighting.

Set the Perfect Mood with Theme Lighting by KULT.

Elevate your space and create the perfect ambience with the group operation feature by KULT Home Automation. Sync multiple devices together to control lighting settings and create theme lighting or mood lighting. Whether you desire a relaxing atmosphere or a vibrant party setting, KULT Home Automation allows you to customize the lighting in your space with ease.

Convenience, Comfort, and Style in Every Detail.

Experience the Future of Home Automation with KULT.

Discover the convenience, comfort, and style that our innovative products bring to your home. Embrace excellence and touch the future with KULT Home Automation. From effortless control of essential elements like fans, blinds/curtains, and switches to customizable scheduling and hands-free voice automation, KULT Home Automation offers seamless integration and enhances your living spaces. Elevate your home to new heights of convenience, comfort, and style with KULT Home Automation.

Simplify, Schedule, Speak, and Set the Perfect Mood.

Elevate Your Spaces with KULT Home Automation.

Welcome to the world of KULT Home Automation, where the future meets excellence. Our NextGen technology allows you to effortlessly control and enhance the ambience of your spaces with just a touch. Simplify your life by managing essential elements of your home environment, schedule tasks to automate your devices, control your home with hands-free voice commands, and set the perfect mood with customizable theme lighting. Experience the future of Home Automation with KULT and enjoy convenience, comfort, and style in every detail.

Kult also helps in dimming or increasing the brightness of your lights by letting you control the lumen output with a touch.

Open, close or stop midway, set up the aura of your spaces the way you like it with one-touch motorised curtain or blinds control.

Set up the mood of your spaces for every occasion with group operation for devices for scene creation.

Adjust fan speed in steps without getting up from your place.

Lights and appliances can be switched on with just a touch, the blue light on each symbol is an indication that the Kult device is on and product connected to it is getting electrical power.

Disclaimer

- The print process does not allow for exact reproduction of the material, colour, print and finishes of the products. Actual products may vary from the product shown in this catalogue.
- The Company undertakes to replace or repair products at its discretion should it become defective solely as a result of faulty materials or workmanship within 2 (Two) years for Kult devices. The warranty will be invalid if the product has not been installed or maintained in accordance with the Company's instruction or any attempts has been made to rectify, dismantle or alter the product or if the original mounting boxes of the Company has not been used in conjunction with the Kult devices. The warranty does not extend to cover consequential loss or damage or installation costs arising from the defective product.
- Company will not be liable for damages arising due to incorrect installation.
- Any attempt made to rectify, dismantle or alter the product may lead to electrical shock or may destroy the product for which the Company is not responsible. The Company is also not responsible for any consequential loss or damage or installation costs arising out of the same.
- Any unauthorized opening or repair completely cancels all liabilities and rights to replacement and warranty.
- Limitation of liability: Company shall not be liable for any special, indirect, incidental or consequential damages what so ever including but not limited to loss of profit, revenue or data (whether or indirect or commercial loss for breach of any express or implied warranty on your product even if the Company has been advised of the possibility of such damages.
- The Company reserves the right to modify or change the product design and specification in the future without prior intimation. Similarly, colours and finishes are also liable to change without any prior intimation.

Embrace a Greener World

Sustainability and Conservation with Kult Home Automation

Discover the magic of a greener world with Kult Home Automation, where we prioritize sustainability and conservation of natural resources. Our smart automation technology not only offers convenience but also empowers you to make a positive impact on the environment.

- **Save Precious Energy:** Don't worry if you forget to switch off power equipment like AC and geysers after use. With Kult Home Automation, you can easily check and turn them off from anywhere, conserving precious energy and reducing your carbon footprint.
- **Optimize Energy Consumption:** Make the most of time scheduling to optimize energy consumption for devices like AC. Set it to turn on and off at desired times, ensuring a comfortable living space and efficient energy use.
- **Save Water and Electricity:** Say goodbye to wastage! Use the schedule feature to switch on/off low wattage water pumps, preventing unnecessary wastage of water and electricity. It's a small step towards conserving resources and protecting our planet.
- **Intelligent Lighting Control:** Let technology take care of your lighting needs. Automatically switch off lights during the day in well-lit areas to avoid energy wastage.

Join us in our mission to preserve our planet and embrace a greener lifestyle with Kult Home Automation. Together, we can create a sustainable future for generations to come. Let's make a difference, one smart choice at a time.

FAQs for Kult Home Automation

Question : Which devices are controlled by KULT smart home devices?

Answer : Lights, fans, motorized blinds/curtains are controlled by Kult smart home devices.

Question : What should I do if the KULT application is not working?

Answer : First, try refreshing the app. If it still doesn't respond or work, try restarting the app.

Question : What should I do if the switch is not working through the application?

Answer : Check if the credentials of your home Wi-Fi router are correct on the KULT application & ensure that the network strength is good.

Question : Can the KULT device work without internet?

Answer : If the internet goes down or is not available, the devices still work manually through touch.

Question : Is only Wi-Fi signal required or Wi-Fi signal with internet required for the application?

Answer : The app can work with Wi-Fi signals to command the modules even without internet, but with limited functionality. However, memory-based functions like time scheduling and group operations will require Wi-Fi with internet.

Question : Can I operate KULT devices from anywhere through the application?

Answer : Yes, you can operate the devices from anywhere in the world as long as there is Internet available where KULT devices are installed and the place from where you are operating it.

Question : How many users can use the application with one login credential?

Answer : Any number of people can use the application with one login credential.

Question : How can I share device control with my family?

Answer : Download the KULT app on your family members' phones and share the login credentials.

Question : Can room names or icons be changed or edited?

Answer : Yes, you can change and edit room names & icons on your own.

Question : Why am I not able to control the Kult device properly through the application?

Answer : Keep the app open for a few seconds and observe if the device is still Offline or Online in the application. It might be due to a bad Wi-Fi network.

Question : What should I do if someone changes the Wi-Fi credentials of the home router?

Answer : If the Wi-Fi credentials of the home router are changed, you need to update the Wi-Fi settings of each module one by one, as done during the initial installation.

Question : What should I do if the KULT device becomes non-functional?

Answer : If it's a hardware failure, you can replace the KULT device with Kolors mechanical switches.

Question : Do KULT devices work on voice commands?

Answer : Yes, KULT devices work on voice commands on third party application like Alexa virtual assistant.

Question : Is a hub required for KULT devices?

Answer : No, a hub is not required for KULT devices.

Question : Do Kult devices require any special or separate wiring?

Answer : No, Kult devices do not require any special or separate wiring ,they are electrically connected through conventional wiring.

Question : What is the difference between two switch master and two switch/four switch slave?

Answer : Two switch master is a device which can work independently as a two switch module whereas two switch/four switch slave cannot work independently, required to be connected to two switch master. Two switch master has Wi-Fi module and power supply whereas two switch/four switch slave does not have.

Question : Does fan regulator, blind/curtain control, 20A switch, Four switch require connection to two switch master?

Answer : No, they can work independently.

- Ensure that the switches and other module doesn't exceed the prescribed load
- Hire a licensed trained electrician for the installation

- Never install on live wires (mains should be switched off during installation)
- Never use wire size that isn't prescribed in the connection ratings
- Never ever open the modules

- To place an order for 100 pieces 1 module White cover plate of Krest: Write 373101-WHE-100 nos.
- To place an order for 20 pieces 1 module Sterling Silver cover plate of Krest Klassic: Write 374201-SSR-20 nos.

*Kindly refer to Kolors Modular Boxes Price List cum Catalogue for Flush Metal / Surface Plastic / Flush Mounting Plastic Boxes.

Safety Information

To reduce the risk of fire or electric shock, do not expose these products to water.

- Do not use your product near water, including dripping or splashing sources (e.g.-indoor fountains)
- Do not use your product near heat sources (e.g. - radiators, heat registers, stoves, open flames, such as lighted candles).
- The product should be installed in line with installation rules and preferably by qualified electricians. Do not open up, dismantle or modify the product except where specifically required to do so by the instructions.
- Please ensure the earthing point of all inner plates (with metal support) is connected to the proper earthing system to avoid any electric shock.
- Servicing is required when the product has been exposed to water, rain, liquid or moisture, the product has been dropped, or an object has been inserted into a product port or vent.

Disclaimer

- The print process does not allow for exact reproduction of the material, colour, print and finishes of the products. Actual products may vary from the product shown in this catalogue.
- Due to the very nature of the basic raw material of the cover plates and environmental/climatic / temperature/lot to lot variation etc. reasons, their finish and colour may vary from piece to piece, which is beyond the Company's control.
- All Krest, Klassic, Kara, Kredo, Java cover plates are suitable for Kolors Krest & Kredo switches & accessories only.
- Black spots on Chrome-plated components is not rust, it is formed in areas near to Marshland, Open Nallas & Creek. To avoid black spots on chrome-plated components, Accessories etc. wipe all the items with a soft cloth every 7 days.
- The Company undertakes to replace or repair products at its discretion should it become defective solely as a result of faulty materials or workmanship within 10 (Ten) years for Switches (without indicator) & Power Sockets. For all other Kolors Krest products, the warranty will be for 1 (One) year only. For Kredo Switches (without indicator) the warranty will be 20 (Twenty) years. No warranty on cover plates. The warranty will be invalid if the product has not been installed or maintained in accordance with the Company's instruction or in any attempts has been made to rectify, dismantle or alter the product or if the original mounting boxes of the Company has not been used in conjunction with the accessories. The warranty does not extend to cover consequential loss or damage or installation costs arising from the defective product.
- All Kolors products must be opened and repaired exclusively by personnel trained and approved by Kolors. Any unauthorized opening or repair completely cancels all liabilities and rights to replacement and guarantees.
- Company will not be liable for damages arising due to incorrect installation.
- Any attempt made to rectify, dismantle or alter the product may lead to electrical shock or may destroy the product for which the Company is not responsible. The Company is also not responsible for any consequential loss or damage or installation costs arising out of the same.
- Limitation of liability: Company shall not be liable for any special, indirect, incidental or consequential damages what so ever including but not limited to loss of profit, revenue or data (whether or indirect or commercial loss for breach of any express or implied warranty on your product even if the Company has been advised of the possibility of such damages).
- The Company reserves the right to modify or change the product design and specification in the future without prior intimation. Similarly, colours and finishes are also liable to change without any prior intimation.
- Kolors, Kolors Krest, Krest Klassic, Krest Kara, Krest Kaleido, Krest Kulture and Krest Kredo are registered trademark of Kolors India Private Limited.
