INSPIRING RELIABILITY, REDEFINING SAFETY.

## प्रचलित जीवन शैली के साथ-साथ गुणवत्तापूर्ण विद्युत उत्पाद

कलर्स में, गुणवत्ता पर हमारा बेजोड़ फोकस, निष्पादन में सूक्ष्मता और विविध श्रेणी ने हमें उद्योग में सबसे आगे स्थापित करने में मदद की है। आज हम अंतर्राष्ट्रीय गुणवत्ता वाले उत्पादों के निर्माता होने में गर्व महसूस करते है जिनकी कल्पना, डिज़ाईन एवं निर्मितता भारत में ही की गई है।

यह बात १९७० की है जब कलर्स ने एक छोटी सी व्यापारीक कंपनी को स्थापीत किया, जो कि इलेक्ट्रीकल वायरींग एक्सेसरीज़ में व्यापार करती थी। अपनी कार्यप्रणाली के दौरान, इस समूह ने धीरे-धीरे घरों, कार्यलयों, कारखानों, हवाई अड्डों और होटलों के लिए इलेक्ट्रीकल स्विचीस और एक्सेसरीज़ उत्पादन के क्षेत्र में अपने कदम रखे। आज, कलर्स ने हर बाजार खंड के लिए सभी प्रकार के स्विच, सॉकेट, एक्सेसरीज़, एमसीबी, एलईडी लाईटींग उत्पाद, प्लग टॉप, तार, लैम्प होल्डर, डोर बेल, माउंटिंग बॉक्स और घर स्वचालन उत्पादन के निर्माण से उद्योग जगत में अपना एक स्थान बनाया है।
$\varphi$ अत्याधुनिक उत्पादन प्लांट्स, 93 डिपो, $\varphi 000$ से अधिक चैनल पार्टनर्स, $9 \varphi 00$ से ज्यादा कर्मचारियों और $\varphi 000$ से ज्यादा प्रोडक्ट्स के साथ कलर्स पूरे भारत में मौजूद है और अनगिनत लोगों को विश्वस्तरीय उत्पाद प्रदान कर रहा है।

गुणवत्ता, परिष्कार और शैली का अनुसरण हमें उद्योग के शीर्ष की ओर ले जाता है। हमारे उत्पोदों की विस्तृत श्रृंखला कुछ ऐसा प्रदान करती है जो जीवन शैली की हर शैली के अनुरुप हो। हमारे इन्नोवेशन अग्रणी दृष्टिकोण और प्रवीणता ने हमें विश्व स्तरीय गुणवत्ता वाले उत्पाद प्रदान करने में मदद की है जो भव्य जीवनशैली और विशेष श्रेणी दर्शाती है। कलर्स उत्पादों की बेजोड.गुणवत्ता और हमारे अत्याधुनिक विनिर्माण संयंत्रों ने हमें आईएसओ, ओएचएसएएस और सीई प्रमाणीकरण का दावा करने में मदद की है। ये प्रमाणपत्र हमें दुनिया भर में कहीं भी अपने उत्पाद बेचने की अनुमति देते हैं। हमारे प्रयास का नतीजा वास्तव में पुरस्कृत हुआ है जैसे - भारत डिजाइन मार्क से दो बार सम्मानित होना। पर्यावरण, सदभावनापूर्ण जीवन हमारे सिद्धांतो के केंद्र में है। अपने कार्बन फुटप्रिंट को कम करने लिए हम प्रतिबद्ध हैं, सौर ऊर्जा और वर्षा जल संचयन जैसे नवीनीकृत ऊर्जा संसाधनों का उपयोग करते हुए हरीत भविष्य की ओर अग्रसीत समाज में हमारे योगदान के रूप में देखा जा सकता है। कलर्स में हम न केवल गुणवत्ता में बल्कि पर्यावरण के प्रति हमारी जिम्मेदारी में भी उद्योग का नेतृत्व करने का प्रयास करते हैं।

हमारे लिए, सामाजिक जिम्मेदारी हर पहल के मूल में है। हम शिक्षा, पर्यावरण, स्वास्थ्य और आवास के क्षेत्रों में योगदान देकर समाज में एक मूल्यवान अंतर लाने के लिए अपनी पूरी कोशिश करते हैं। हमारा सीएसआर प्रयास सभी के लिए अवसर प्रदान करते हुए जीवन को बेहतर बनाने के हमारे कर्तव्य को साफ दर्शाते हैं।

## Elevating Stylish Living with Quality Electrical Products

At Kolors, we take immense pride in our unwavering focus on top-notch quality, finesse in execution, and a diverse range of products that place us at the forefront of the industry. As a Fast-Moving Electrical Goods (FMEG) Company, we are dedicated to delivering international standard products that are conceived, designed, and manufactured right here in India for the world.
Since our inception in 1970 as a small trading company specializing in electrical products and accessories, we have grown to become a leading manufacturer of electrical switches and fixtures for various sectors. Today, our product range includes switches, sockets, accessories, switchgears, distribution boards, LED lighting products, wires \& cables, home automation products, plug tops, lamp holders, doorbells, extension cords, spikeguards, mounting boxes and motion sensors for every imaginable market segment.

With 5 state-of-the-art manufacturing plants, 13 Depots, 5000 plus Channel Partners, and a workforce of over 1500, we have achieved a wide-ranging presence across India, making our top-quality products accessible to a vast audience.
Our unwavering pursuit of quality, sophistication, and style drives us on our journey to the forefront of the industry. Offering a wide array of products, we cater to every style of living. Through innovation and expertise, we provide world-class quality products that radiate grandeur and class. The unmatched quality of Kolors products and our state of the art manufacturing plants has helped us claim ISO, OHSAS \& CE certification. These certifications allow us to sell our products anywhere around the world. Our commitment to excellence has been recognized with the prestigious India Design Mark, twice.

For us, sustainability is at the heart of our ethos. Committed to reducing our carbon footprint, we harness renewable resources like solar power and rainwater harvesting initiatives, contributing to a greener future. At Kolors, we strive to lead the industry not only in quality but also in our responsibility towards the environment.

For us, social responsibility is at the core of every initiative. We strive our best to bring a valuable difference to the society by contributing in the areas of Education, Environment, Health \& Housing. Our CSR endeavours align with our mission to 'make life better' while providing opportunities for all.
At Kolors, we are devoted to enhancing stylish living through superior electrical goods, and our unwavering commitment to quality sets us apart in the market.

## Safety that's promising.

By identifying a fault condition and interrupting flow, a Miniature Circuit Breaker protects a circuit from harm brought on by a short circuit or overload. It also offers protection in the event of an overload by shutting off the power. These MCBs offer unmatched durability and maximum protection further enhancing the safety of your spaces. These are made with unwavering precision and flawless execution. Built to last while offering supreme safety, reliability and functionality, these MCBs are crafted using world-class quality materials. Superseding all international standards of safety and quality, Kwiktrip MCB makes for the finest
choice when it comes to safeguarding your spaces.

## Turn © 1 n SAFETY

$\underset{\text { miniature circuit breaker }}{\text { K }}$

## Supreme safety, handcrafted to perfection.

Kwiktrip is Miniature Circuit Breaker that comes with a ribbed knob and an 5arc-shaped cover for firm grip and comfortable operation. Available in rating of 6A, 10A, 20A, 25A, 32A, 40A, 63A- 240/415 V AC with Single Pole (SP), Single Pole + neutral (SPN), Double Pole (DP), Three Pole (TP), Three Pole + neutral (TPN) and Four Pole (FP).

## Technical Specifications

- Standard Confirmity: IS/IEC 60898
- No of poles: SP, SPN, DP, TP, TPN, FP
- Rated voltage: 240V AC for SP, SPN \& 415 V AC for multipoles (DP, TP, TPN, FP)
- Rated current: 6A, 10A, 16A, 20A, 25A, 32A, 40A, 63A
- Tripping curve: B \& C-Type
- Rated short circuit capacity $\left(I_{\mathrm{cn}}\right): 10000 \mathrm{~A}$
- Rated service short circuit capacity ( $\mathrm{I}_{\mathrm{cs}}$ ): 7500A
- Rated frequency: 50 Hz
- Impulse withstand voltage $\left(\mathrm{U}_{\text {imp }}\right): 4.7 / 5.8 \mathrm{k}$ Vp
- Electromechanical endurance: $>4000$ cycle
- Mechanical endurance: <32A 20000 cycle >32A 10000 cycle
- Terminals: Screw type terminals
- Terminal capacity: upto $25 \mathrm{~mm}^{2}$
- Fastening torque: 2.0 Nm
- Installation: On symmetrical 35mm DIN rail

SIINGLE POLE

DOUBLE POLE

TRIPLE
POLE

FOUR POLE
$+$

## Features

- Installation on symmetrical 35 mm DIN rail.
- Easy installation \& removal through snap pusher.
- Terminal capacity (max) : $25 \mathrm{~mm}^{2}$.
- Body is completely arc protected.
- Powerful arc extinguish system-special 16 plates arc chute assembly provided.

- 4.5 mm gap between contacts in open position.
- Low leakage current i.e. $7.0 \mu \mathrm{~A}$ at $1.1^{*} 240 \mathrm{~V}$. (Whereas IEC specified 2 mA at $1.1^{*} 240 \mathrm{~V}$ ).
- IP 20 protection.
- Flame retardant thermo plastic moulded case which is highly resistant to heat \& fire.
- Non weldable silverised contacts.

RESIDUAL CURRENT CIRCUIT BREAKER (RCCB)

## Protection against Electrocution

In our everyday life, we often come across many accidents that cost human lives due to inappropriate usage or coming in direct contact with electric current. Incorrect fitting, faulty equipments or wrong usage of devices cause the current to flow through insulation to the earth, this is known as leaking of current.

Any use of exposed, badly wired, substandard, damaged or incorrectly connected equipment as well as frayed or not properly repaired cables cause hindrance to the safety and increases the risk of receiving an electric shock.

A well chosen Circuit Breaker is effective in detecting small currents flowing to earth and thus helps reduce the risk of electrocution and prevents fire. Research suggests that electrical shock should not be considered only in terms of current alone but also in terms of contact voltage. Every person who gets electrocuted by coming in contact with an object has different potential of taking that current passing through their body. The difference in potential defines the severity of how the current flows through the body.

Kolors RCCB provides protection against earth fault/ current leakage, thus ensuring optimum safety of your house and your near ones.

## Turn On SAFETY

## Saiety you can trust.

## A seamless blend of durability and reliability

that ensures the safety of your near ones.

| 101148 | 63 A | 3750.00 | $03 / 36$ |

Manually operated changeover switch, which is used in switching of supply from one source to another \& vice versa.

## Features:

- Silver Cadmium Oxide contacts used for long life of electrical contacts.
- Flame retardant thermo plastic moulded case.
- DIN rail mounted along with the provision of mounting with MCBs, RCCBs and Isolators in Distribution Board.
- Front operation with stable positions I-O-II, center position is Off.

## Technical Specifications:

Standard Confirmity
No.of Poles
Rated Current (In)
Dielectric Strength
Ambient Temperature
Mechanical Endurance
Electrical Endurance
Method of Mounting
Terminal Capacity

IS/IEC 60947-3
Double Pole \& Four Pole
25A, 32A, 40A \& 63A
2.5 kV
$-5^{\circ} \mathrm{C}$ to $+55^{\circ} \mathrm{C}$
10000 Operations
10000 Operations
DIN rail mounted
Upto $25 \mathrm{~mm}^{2}$

## SINGLE DOOR \& DOUBLE DOOR METAL DISTRIBUTION BOARDS

- Suitable for single phase and three phase circuits
- Suitable for surface and flush mounting
- 100A bus bar
- 26/32 mm knock outs with option to completely remove top and bottom side knockouts for raceways or bigger cables
- Reversible door in double door Distribution Boards.

## Safety Information

- To reduce the risk of fire or electric shock, do not use your product near water, including dripping or splashing sources (e.g.-indoor fountains).
- Do not use your product near heat sources (e.g. - radiators, heat registers, stoves, open flames, such as lighted candles).
- The product should be installed in line with installation rules and preferably by qualified electricians. Do not open up, dismantle or modify the product except where specifically required to do so by the instructions. Any attempt made to rectify, dismantle or alter the product may lead electrical shock or may destroy the product for which company is not responsible.

## Disclaimer

- The print process does not allow for exact reproduction of the material, color, print and finishes of the products. Actual products may vary from the product shown in this catalogue.
- The photographs shown in this catalogue are for representation purpose only.
- KOLORS, KWIKTRIP are registered trademark of Kolors India Private Limited.
- KWIKTRIP MCB's carry a warranty, against manufacturing defects for a period of 2 years from the date of manufacturing.
- The warranty is however subject to proper usage and maintenance and does not cover defects arising out of improper installation, in efficient maintenance, faulty operation and willful or accidental damage including nonperformance, which is caused by an event constituting Force Majeure i.e. including (but not limited to) pandemic, fire, floods, administrative orders etc.
- The Company undertakes to replace or repair products at its discretion should it become defective solely as a result of faulty materials or workmanship within 2 years. The warranty will be invalid if the product has not been installed or maintained in accordance with the Company's instruction, or in any attempts has been made to rectify, dismantle or alter the product.Company is also not responsible for any consequential loss or damage or installation costs arising out of the same.
- The Warranty does not extend to cover consequential loss, including personal injury or damage or installation costs arising out of, or in connection with, defects in the products including claim by third party.
- Limitation of liability: Company shall not be liable for any special, indirect, incidental or consequential damages what so ever including but not limited to loss of profit, revenue or data whether direct or indirect or commercial loss for breach of any express or implied warranty on your product even if company has been advised of the possibility of such damages.
- All Kolors products must be opened and repaired exclusively by personnel trained and approved by Kolors. Any unauthorized opening or repair completely cancel all liabilities and warranty.
- The Company reserves the right to modify or change the product design and specification in the future without prior intimation. Similarly, colors and finishes are also liable to change without any prior intimation.
- Proof of purchase to be retained to avail warranty.
- Burnt MCB's would not be covered under warranty.
- The data provided here are indicative \& may be revised without prior intimation.
- All prices are list price, taxes will be extra as applicable.
